

Thursday Morning Watch

Every Day's A New Beginnin'

If you don't know how to do it,
Trust in Him, He'll show the way.

It's our last full day of CAMP, and I don't know about you, but I don't even think my coffee could get me to grin this morning. It's been an amazingly fun and exhausting week and I can't believe it's coming to a close.

We all have those mornings where we just can't get a jump start. Sometimes we don't know how to put on a happy face and feel too tired or lost. But guess what? – *Every day's a new Beginnin'*! When life gets tough, we need to remember the amazing gift of TODAY and trust that God has a plan for each of us. Hallelujah! SO—let us rejoice and make this last day of CAMP, the best day yet!

Jumpstart your day by thinking of all the HAPPY things from this week. The friendships that we've made, the yummy food, the messy fun, and the presence of God that we feel all around here. Getting to spend another day with each of you here is enough to get me a grinnin'!

"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

"A gift to you from God each morning, for you to take or throw away. A brand new day at every dawning, to do the things He'd have us do each day." – Janice Brizius
