

Wednesday Morning Watch

Every Day's A New Beginn'

Every day's a brand new start.
Make a start, He'll do his part.

Can you believe we are already halfway through our week? Each day has brought new events, new challenges, new goals. Are you making the most of it? Are you achieving what you've set out to achieve this week? Or-- Maybe you feel stuck? Maybe you don't even know what your goals are right now? That's OK!

God gives us a chance for a new start every day. How amazing is that!? Maybe today is the day that you figure out your goals? Maybe today is the day you sit and write down a mission for yourself? Sometimes we just need to take that first step, sow that first seed, turn our motions into MOVEMENT which will lead to a mission. Then give it to God. OR maybe you simply START by asking Him for guidance. Make a start right now with this prayer.

"Thank you, God, for giving me a chance every day to start new. Even if yesterday did not go well, you are still faithful in your love. I ask for your guidance today to help me turn my motions into movement, so I may see my mission here at CAMP and in life. Amen."

"Let the morning bring me word of your unfailing love, for I have put my trust in you. Show me the way I should go, for to you I entrust my life."
Psalms 143:8
