

Wednesday Morning Watch

FINDING MY PIECE OF THE PUZZLE

So today is Wednesday “Hump Day”

(Kind of the middle part of our week at CAMP.) Some folks think of Hump Day as a very hard day with a very negative feel about it. It need not be! The middle part actually means we have the whole other half to do better!

Have you made some new friends?

(It’s not too late!)

Have you tried something new? -- something that previously you were afraid to try? (It’s not too late!)

Have you tried to help another camper who is struggling with his or her feelings of failure? (It’s not too late!)

Hump Day is “New chance Day!”

(Actually, EVERY DAY IS A “NEW CHANCE DAY” AT CAMP!)

HAVE I MADE A DIFFERENCE/ DID I MAKE A DIFFERENCE/ WILL I MAKE A DIFFERENCE TODAY? (THERE’S STILL TIME!)
