The Power of YOU!

"God's Given You the Power to Lead and Guide"

Have you ever noticed...it only takes one person to make you feel like you belong? That's one of my favorite things about CAMP. It doesn't take long before strangers begin feeling like friends.

You ever wonder why that happens?

Maybe it's because at CAMP, we begin seeing IN one another what God has seen all along.

Some people make us laugh. Some make us feel welcome. Some are the first to jump in and help. Some seem to know just the right words to say. Others have a quiet way of encouraging the people around them.

None of those people are exactly alike. And yet... every one of them makes CAMP a little brighter. Maybe that's how God intended it. He never asked us all to be the same. Instead... He placed something unique in each of us. Something someone else might need.

God didn't give you your special spark so people would notice you. He gave it to you so people would notice His love through you. **"God's given you the power to lead and guide."** Power for what?

To encourage. To forgive. To include. To lead. To serve. To notice. To love.
To Reach Out... Today, if God nudges you...will you answer His call?

*"I've gotta reach out if I'm ever gonna grow.
Gotta reach out, there's a whole wide world
to know. Gotta quit waitin' for the world to
come to me. The world awaits, and I must
set me free." — Janny Brizius, Reach Out
(1982 CAMP Theme Song)*

*"Where is the light to brighten this gloom?
Where is the switch to light up this room?
Look in the mirror and what do I see?
I look in the mirror and of course it is me!"
— Janny Brizius, "Be the Light" (2010 CAMP
Theme Song)*
