The Power of YOU!

“Everybody Has a Chance to Shine”

Well, here we are...the first full day of CAMP!

Some of you have been counting down the days until camp began. Others may still be wondering what this week will hold. Either way, you're here now, and we're really glad you are.

Take a moment to look around...

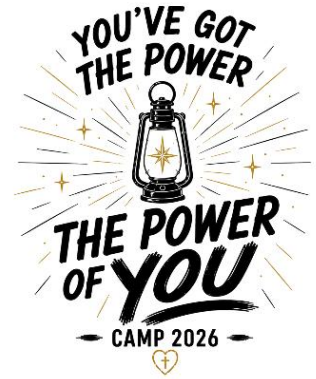

God sure does have a wonderful way of making each part of His creation unique. No two trees are exactly alike. No two birds sing the very same song. And no two people are exactly the same either.

This year's theme is The Power of YOU, and our song reminds us that ***“Everybody Has a Chance to Shine.”*** Sometimes it's easy to believe everyone else has something we don't. The first verse of our song even says ***“our stomachs can be tied in knots and our minds can be full of thoughts.”*** We've all felt that way at times.

But what if shining isn't about becoming someone else? What if it begins by simply letting go of the things that keep us from seeing who God created us to be?

Open up your heart... As you go through this first day of CAMP, watch for the many different ways people shine.

What might God show you this week about the way He created you to shine?

"We have different gifts, according to the grace given to each of us."
— Romans 12:6

"A very special person that no one else can be." — Janny Brizius, Proud to Be Me (1979 CAMP Theme Song)
