WHAT IS CAMP?

(Constructing Assured & Motivated People)

- CAMP is a one week “traditional camping program” that gives youth the opportunity to learn new skills and make life-long friends in a spiritual environment.
- CAMP began in 1956 as an outreach of the Gahanna Community Church. It is now an independent nonprofit camp.
- CAMP is held at a resident camp at Tar Hollow State Park near Chillicothe Ohio.
- Our all-volunteer staff go through background checks and trainings.

WHAT PARENTS SAY

Great Value: “I feel that CAMP is a phenomenal value, the price we pay for the changes it makes in children.”

Great Job: “I love CAMP because my kids ALWAYS come home feeling so loved. The counselors do such a wonderful job of making EVERY kid feel loved & accepted. Great Job to all!”

Impressed: “My niece and nephew have attended, and my husband and I were so impressed with Emily’s first year! My niece told me when I picked Emily up that she has never seen her come out of her shell like she did.”

Getting Involved: “My girls came back and are now both willing and wanting to be more involved in our church, attending services and other activities. They are also using a lot of things they learned at CAMP.”
