

Lily Armington Memorial

Lily Marie Armington

September 20, 1986 - January 19, 2020

Lily Armington was a very dear member of our BTO Family. She was a former BTO dancer, Board Member and frequent guest performer in many of our ballets. Lily also loved teaching ballet at the Meneer School of Dance. She was a beloved mentor and friend who never lost her positive attitude or love of life and taught us all so much about perseverance and strength. She had an extraordinary gift to teach and she cared deeply for all of her students. Knowing the importance of nurturing her students, Lily generously established scholarships for promising young dancers.

Ballet Theatre of Ohio would like to thank Lily's parents, Kim and Richard Peterson and Jim & Cheryl Armington for their generous support in establishing The Lily Armington Memorial. These tax-deductible donations will be used in support of BTO productions and its dancers who were so near and dear to Lily's heart. We could not be more appreciative to have such an outpouring of kindness from those who knew and loved Lily. She meant the world to us.

Our sincerest thanks to all those who have contributed to Lily's Memorial Fund
