

## ABOUT US

We are: Plumbing Made Affordable. When we began our company in June 2020, our main goal was, & still is, to ensure that everyone has access to affordable plumbing, heating & drain cleaning services.

We are a NO FEE company.  
No Call Out Fees.  
No Service Fees.

No extra charges on evenings,  
weekends or holidays!

## CHAMBERS PLUMBING & HEATING

**PLUMBING MADE  
AFFORDABLE**

**LOCAL, LICENSED, CERTIFIED,  
FULLY INSURED &  
CARRYING WCB COVERAGE**

*We know there are many plumbing & heating companies to choose from. That's why we value every customer that allows us the opportunity to earn their business!*

*We work with those on budgets & fixed incomes, by offering Seniors discounts.*

## OUR STORY

### Experience

We have nearly a decade of plumbing, heating & drain cleaning experience. From commercial plumbing to residential plumbing, we can provide professional, top notch service across the board! See our website for some of the services we offer.

### Up Front Pricing

We believe that everyone should know what they're paying for, up front. That's why we list our prices on our website. Our policy states that if the price were to change for any reason- we would not proceed without the homeowners express permission.

## HOW WE OPERATE

We pride ourselves on helping those in our community, including seniors on a fixed income.

We believe that just because you're on a budget, does not mean you should not have access to quality, professional services.

We love giving back! Our contests are geared to help fellow community members, local businesses & charities.

We are honoured to have been chosen as one of St. Albert's Top 3 Plumbing companies, by ThreeBestRated!
