

Nurture Nature

Monday Memo

June 16, 2025

Hello Everyone,

This is the last Monday Memo from me.

My term ends at the Annual Meeting this coming Thursday, 6/19. I hope to see many of you there.

Yearbook information needed

All yearbooks should have the National President, the New England Region Director, our GCFM President and if possible, your District Director information listed. Here is a handy link with all of the current information to date: <https://www.gcfm.org/negc-ngc>

The GCFM Executive Board and the District Directors will be announced after the Annual Meeting on 6/19. The incoming president will share that information with you in her first communication with the club presidents.

Thank you again for all of the wonderful conversations we have had. Thank you for your contributions to the public over the past 2 years. Thank you for the enormous generosity to deserving students by donating so much in scholarships and grants. Thank you for being outstanding members of our organization. I am so proud of all of you.

It's been a privilege to serve as state president and it was an experience I will cherish filled with many memories to carry me through the rest of my life.

See you on the 19th!

To sit in your garden, surrounded by the life you've grown, is to know true contentment. Thankyourgarden.com

Enjoy the summer! I will miss you all.

Marjorie Dienhart, President
