MISION PARA CRISTO MESSAGE FROM BENNY & DONNA BAKER

This has been a difficult Spring for all of us. As I write this letter today, Honduras quarantine has been extended for two more weeks that will make four months in their homes. In Nicaragua the mission has been suspended from normal activities except for two weeks since March 19th. Both in Nicaragua and Honduras we continue to serve as we can: teachers reaching out to their students, food distribution, a new feeding program and continuing to look for other ways to serve during this time in both countries. Because of the ever-changing nature of the Covid-19 crisis we discussed whether we should do Smiles this year but with the impact of Covid-19 we know that your Smiles will mean more than ever.

We want to thank each one of you for the blessings you have been to our children. This will be our 19th year bringing Smiles to thousands of children. In 2002 we sent 249 Smiles and that number has grown to over 14,000 in 2019. Without God's blessings of your support these Smiles would not be possible.
