

## Application for TCC Foundation Grant

The T'ai Chi Chih Foundation is offering a \$200 grant to **T'ai Chi Chih Teachers**.

**The Purpose** of this grant is to increase awareness of T'ai Chi Chih through demonstration, information, and/or experience.

The grant cannot be used to produce materials that monetarily benefit the recipient. The grant should not benefit the teacher solely, such as increasing only their classes.

Upon completion of the project the teacher is to write an article for the VFJ summarizing their project and experience.

Give an overview of your project.

How will this program, event, or opportunity increase awareness of TCC?

Will there be information that will enable participants to pursue their exploration of TCC?

How might this project benefit teachers?

How will this benefit participants?

How many people will this initial event reach?
