UPDATE

August 2, 2023

Club photo shoot set for Monday, August 6th

It's been a long time since we had a photo of this skilled and good looking group of aviation enthusiasts. So here is your time to come and show your presence for everyone to admire. Bring your favorite plane to the field about 7ish and we will all line up next to each other and smile. The photo will begin appearing online and in this Update. So set your calendar for Monday, August 6th. There will be a fun-fly afterwards with some neat events.

Pine Hollow was modified but still FUN!

There were some changes to this year's Pine Hollow event but in spite of some modifications it went over very well. There were quite a few new planes which gave everyone a thrill to watch. Thanks to all the members who worked hard to make it a success.
