UPDATE

Nov 2, 2022

Food and beverages
available at the
event!

SUNDAY DECEMBER 4, 2022

(A day that will live in your memory!)

FREE! NO LANDING FEES! PRIZES!

9 am until 1pm at the Orient Field

Join us for one of the most exciting experiences you will see in RC planes! Marvel at many experienced (maybe a bit rusty) RC pilots fly amazing aerobatics (some intentional) replicating exact aerodynamics as depicted in the infamous Pearl Harbor attack.

Possible fun events (may) include

- Bomb drop!
- Spot Landings!
- Dogfighting!

FEATURING WORLD FAMOUS "CENICERROS CHILI"

For more information
contact Event Director
Dennis Young at (503) 913-1865

Once again we remember the events of December 7, 1941 with a salute to the brave people at Pearl Harbor by flying our various warbirds at the field. This year we will have the event on December 4th (the nearest Sunday this to December 7th) at the field.

Winter Build/Rebuild is ON!

The long, dark winter nights are perfect for starting a build project or repairing one of your “accidents” from previous years for next Spring! For those of you who are new to this fun event, each year Gregg Marshall hosts a fun contest where those flyers who love to build, put together and in some cases rebuild the airplane of their choice. Then, next Spring at our annual opener, you will give it a “maiden flight” with others who have entered their places to see how (or if) it will fly. More details will be discussed at the next meeting. This is an incredibly fun event and the Board makes it even better by sometimes offering up a kit or two as part of a raffle open only to pilots of the winter build/rebuild planes. Get your kits, plans, glue or imagination going and build!!!

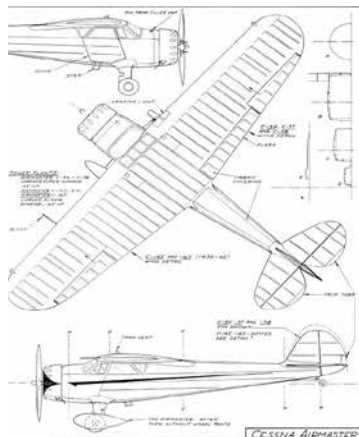

1. Can be a new build from a balsa kit **or a rebuild** from a previous hard landing. Must post at least one picture of the build on the SkyKnights Facebook page and must be a current picture.
2. Previously started kits okay, but must be less than 50% completed/not covered when picture is posted.
3. Can be any size or type of kit (Locke/tab, die cut, scratch built)
4. Can be glow, gas or electric
5. Open to any AMA member
5. Must be completed prior to AND flown at the Spring 2023 maiden party

We will have a maiden party at this spring 2023 picnic. The aircraft must take off, make at least one lap, and then land-controlled.

Here are a few planes getting ready for Winter Build:

Dave Rawling's Cessna Airmaster with 8 wingspread!

Scott McKinnon's J-3 Piper Cub

Ross Forsyth's Hog-Bipe

Tom Lincoln's Cub

Club Officers Will Be Voted In!

We are happy to announce that our present slate of Board members have volunteered to remain in office for 2023 but the nominations are still being accepted. We will formally vote for officers at the next General meeting.

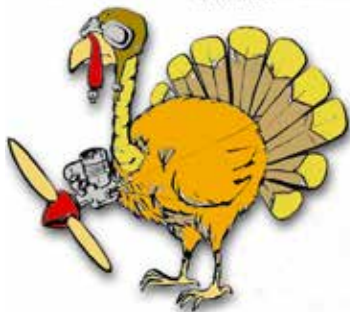

SkyKnight Meetings Can Mean BIG Raffle Prizes!

YOU may be the next lucky winner in the next general meeting scheduled for Monday, Nov 14th. For just a few bucks you can bring home a beautiful aircraft or even some special building tools. Be sure to come before 7pm and buy your raffle tickets. Dennis has acquired some very nice items!

Indoor Flying Starts Thurs Nov 10!

The cool, rainy weather is giving us a chance to get our indoor planes together and come over to the Mountainview Church gym for some great (no wind) indoor flying. Take a look at all the action going on every Thursday evening **except the first Thursday night of each month!** Check the calendar on our website for confirmation.

By the way, Gregg Marshall has arranged to have a special **“TURKEY HANGOVER BLACK FRIDAY INDOOR”** the day after Thanksgiving for those of you who can't stand being around food anymore. Same time as regular indoor.

Bring your feathers and fly!

BE SURE TO BOOKMARK OUR FACEBOOK SITE ON YOUR COMPUTER!

There often is new information and alerts placed that are not necessarily covered on the periodic Updates. You will find it under Portland SkyKnights Radio Control Modeling Club on Facebook. Or you can go to our website and click the Facebook icon on the left side of the margin.

Sky Knights General Meeting Minutes 10th October 2022

At 7:00 pm the meeting was called to order by President Dennis Young.

The minutes were read, and approved.

Treasury: Gregg Marshall reported that checking is at \$1120.30 and savings is \$4903.63 and all bills have been paid.

Membership: We have 70 paid members.

Old Business:

The “End of Season” picnic name will be changed to “Fall Picnic” instead.

Dennis has a draft proposal for the club sharing idea, he will present it to the Clark Country at there next meeting for input.

Pearl Harbor is set for Dec 4th, the famous Ceniceros Chili will be provided for a contribution, but bring your own beverage.

New Business:

The club sharing idea is to have 50% the dues, but no voting rights. More information to follow.

Indoor flying starts Dec 10th through March, there will be **no flying the first Thursday of each Month.**

AMA's Remote ID has been moved out to December

All the current officers have all said the they will stay on for another year, We will vote on it in our November meeting to make it official.

Winter Build Challenges is on.

We are looking for a volunteer to set up a place for the Clubs banquet.

We need to talk about changing some of our Bylaws so we can vote on them in March.

A request was made to change Tuesday's Training night to a “fun fly” night, and training should be a scheduled activity.

The meeting was adjourned at by Dennis @ 8.00 pm
