## CUB NUTS 2022 WAS A SUCCESS!!

According to the thousands (well maybe hundreds) of enthusiastic pilots and visitors enjoyed three splendid days of flying, camping, eating and camaraderie the kind of which you will probably never see and enjoy elsewhere. Unfortunately I personally could not go due to the fact that my wonderful step-daughter had purchased tickets to the McMinnville Airshow on that Saturday. As enjoyable as the airshow was, I personally would have enjoyed Cub Nuts more.

My apologies to Russ Holst for not being there but I am glad the artwork and flyers I made for the event seemed to work just fine. Next Year!!!

Nobody has posted pictures of the event to share with you but if you have any, send them along or post on our Facebook page.

## “End of Season” fun event next weekend

We call it the “end of season” but it isn’t because we fly all year, however we had to come up with a name for fun event to conclude the warm season. So on **Saturday, September 24th** starting about 9am or so, we will have our annual **FALL CLEANUP** where we need some able-bodied (or at least enthusiastic) members to help do some basic chores for about 3 hours. Thanks to several members (like Pres. Young and VP Cenicerros) lots of sprucing up has already been done... but a few things, such as hedges, tables, and our shed, need some TLC. **THEN** on the next day, **Sunday September 25th**, we will hold our special flying

event with lots of special flying and events, great fun flying and just a great time being together. Yes, we will have food available for a slight donation. All this starts about 9am and we will be flying probably all afternoon. See you this weekend! Bring your family to the flying event on Sunday!!
