Saturday, February 6, 2021

Virtually via ZOOM

### FINAL PROGRAM

#### AGENDA

*Please note all times listed are Eastern Standard Time (EST)*

- |          |                                                                                                                                                  |
|----------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| 8:00 am  | <b>Approach to Congenital Heart Disease</b><br>Dr. Sarah Blissett                                                                                |
| 9:00 am  | <b>Echo in Advanced Heart Failure and Mechanical Circulatory Support</b><br>Dr. Sabe De                                                          |
| 10:00 am | <b>The Thickened Ventricle - HCM, Amyloid, Fabry</b><br>Dr. David McCarty                                                                        |
| 11:00 am | <b>Echo Basics for Valvular Interventions</b><br>Dr. Andrew Mathew                                                                               |
| 12:00 pm | <b>Newer Concepts in Aortic Stenosis in 2021</b><br>Dr. Usha Manian                                                                              |
| 1:00 pm  | <i>Special Keynote Speaker Session</i><br><b>Pregnancy and Echocardiography</b><br>Dr. Samuel Siu                                                |
| 2:00 pm  | <i>Visiting Professor Lecture</i><br><b>Echocardiography in COVID-19 – Lessons Learned in the Pandemic</b><br>Dr. Amer Johri, Queen's University |
| 3:00 pm  | <b>Interesting Case Session - Misc. Faculty</b>                                                                                                  |
| 4:00 pm  | Acknowledgements and Closing Remarks<br>Participants to complete program evaluation                                                              |

#### PROGRAM OBJECTIVES

1. To review an approach to challenging echocardiograms
2. To review newer technologies in valvular heart disease and the role of echocardiography
3. To review imaging options in advanced heart failure
4. To discuss the anatomical and physiological principles underlying echocardiography images

#### ACCREDITATION

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, and approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University. You may claim a maximum of 8 hours (credits are automatically calculated).

Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

A minimum of 25% of this program is dedicated to participant interaction.

#### FEES

Physicians:  
\$75.00 (plus applicable taxes)

Sonographers/Allied Health:  
\$50.00 (plus applicable taxes)

Residents, Fellows and Sonography Students - No charge

#### PLANNING COMMITTEE MEMBERS

Dr. Sabe De, Chair  
Dr. Sarah Blissett  
Dr. Usha Manian  
Dr. Andrew Mathew  
Dr. David McCarty

## GUEST FACULTY

### **Dr. Amer Johri, MD FRCPC FASE**

Associate Professor, Department of Medicine, Division of Cardiology, Queen's University

## COURSE FACULTY

### **Dr. Sabe De, MD FRCPC FASE**

Assistant Professor, Department of Medicine, Division of Cardiology, Schulich School of Medicine & Dentistry, Western University  
Director of Echocardiography, LHSC

### **Dr. Samuel Siu, MD FRCPC FASE**

Professor, Department of Medicine, Division of Cardiology, Schulich School of Medicine

### **Dr. Sarah Blissett, MD FRCPC**

Assistant Professor, Department of Medicine, Division of Cardiology, Schulich School of Medicine & Dentistry, Western University

### **Dr. Andrew Mathew, MD, FRCPC**

Assistant Professor, Department of Medicine, Division of Cardiology, Schulich School of Medicine & Dentistry, Western University

### **Dr. David McCarty MB, FRCPC**

Associate Professor, Department of Medicine, Division of Cardiology, Schulich School of Medicine & Dentistry, Western University

### **Dr. Usha Manian MD FRCPC**

Cardiologist, St Mary's Hospital, Kitchener, Ontario

## FOR FURTHER INFORMATION

Contact:

### **Charlene Grass**

Education Assistant

Division of Cardiology

Telephone: 519.663.3830

Email: [charlene.grass@lhsc.on.ca](mailto:charlene.grass@lhsc.on.ca)

## ONLINE REGISTRATION

Registration and Program links available at:

[westerncardio.com](http://westerncardio.com)

## VIRTUAL ACCESS

All lectures will be delivered via ZOOM with audience participation and interaction following each lecture.

Online links to all lectures will be provided following conclusion of the program to all registered participants.

***This program has no commercial support.***

## CANCELLATION POLICY

We reserve the right to cancel this program due to insufficient registrations or circumstances beyond our control. Registrants will be notified at the earliest possible date in the event of a cancellation. Tuition fees for courses cancelled by us will be refunded in full, however we will not be liable for any loss, damages or other expenses that such cancellations may cause.

## REFUND POLICY

A notice of cancellation must be received in writing 10 business days prior to the program date. A minimum of \$20 up to a maximum of 20% of the tuition fee, whichever is greater, will be charged for cancellations offered after the notice of cancellation deadline.

## PRIVACY POLICY

We respect your privacy. The personal information collected is used for the following purposes:

1. Provide you with confirmation of registration for this program.
2. Provide follow-up information to you about this course, as necessary.
3. Inform you of future educational opportunities.
4. Maintain class lists and attendance records so that you can obtain study credits/certificate of attendance where applicable. This information may be disclosed to professional bodies, as required.

Please note that no information about you, including your e-mail address, will be disclosed to external third-party organizations without your consent. Your name and contact information can be removed from our database at any time by contacting our Education Office by telephone, fax, email or by regular mail.

Please direct questions about this collection, use or disclosure of personal information to our Education Office at 519.663.3830.
