We just got the good news that Wayne Christian, our Railroad Commissioner, will be our featured speaker at our fundraiser on October 29th. Those who were at the state convention were privileged to hear him address the convention. He is a dynamic speaker, and it will be well-worth your time to come and listen to him speak. There will be a VIP Reception from 5:30 p.m.-6:30 p.m. prior to the fundraiser to personally meet him. Dinner will be served at 7:00 p.m. Ticket prices are as follows:

- 1 person for dinner \$50.00
- 1 person for dinner & VIP Reception \$100.00
- Reserved table for 8 \$450.00

In 2018 Robert Francis O'Rourke challenged Senator Ted Cruz. Senator Cruz won re-election but the increase in turnout and "down-ballot" voting by the Democrats resulted in sweeping dozens of Republican members of the judiciary out of office in Harris County. Upon taking office in 2019 the Democrats instituted criminal friendly policies such as "no-cash bail". A group of concerned Harris County residents (many former Democrats) formed the Stop Houston Murders political action committee (PAC).

The following is a quote from their Facebook Page: ***"Thirty-eight of Harris County's thirty-nine criminal court judges are liberal Democrats. Under their watch, Houston's murder rate has skyrocketed. When criminals know that they will have little to no repercussions for their actions, they are much more likely to take risks by enacting theft, violence, and even murder. Enough is enough."***

Here we are in 2022 and look who is challenging Governor Abbott. Is it coincidence that the only positions where Democrat candidates are on the ballot in Ellis County are judicial positions? I think not! Not only must we do all we can to turn out Ellis County Republican voters this election, we must make sure they vote all the way "down the ballot". We joke about "Don't Beto My Texas" but we need to equally stress "Don't Harris My County".

I hope not only to see you, but to meet the friends and neighbors that you bring to our meeting, this Tuesday at the [Enchanted Point](#).

My Take on the Governor's Debate

I watched most of the Governor's debate on Friday night. Did I have something better to do? Probably. Did I feel like I needed to watch so I knew who to vote for? No. Did I get to hear the clip of Robert Francis saying, "Hell yes we are going to take your AR15s!"? Hell yes, I did.

Just like a true Democrat, RFO came off as more of a moderate rather than the far left, fake Hispanic accent talking, take your AR-15s, political smearer that we've all come to know and despise. It was almost difficult to listen to the drivel of lies unloading out of his mouth as he did not respect the time limits of debate and continued to call Governor Abbott a "failure." It was obvious what his campaign's game plan was: to talk about Uvalde and what a failure Abbott has been.

Abbott stuck to the Republican Party core values. He stuck to strong facts and what policies he has created for Texas and did very well, even as Robert Francis kept trying to get a rise out of him emotionally, because it would not have been a good Democrat dog and pony show if he did not. My biggest critique of Abbott was him saying he will eliminate property taxes. Please do sir, please do.

One thing is for certain, we cannot allow Robert Francis to move into the Governor's Mansion in November. We must vote for Abbott and get our friends to vote for him as well.

My children love to drive around and look at Halloween decorations. By far the scariest decorations I have seen are the Beto for Texas signs up and down Marvin. I would hate for those horror decorations to become our living nightmare in November.

Vote for Abbott. Vote down the ballot red. Keep Ellis County red. Keep Texas red.
