Accidents

Although accidents are very rare, there is a risk when dealing with animals. Grooming equipment is sharp, and although we use extreme caution and care in all situations, possible problems could occur including cuts, nicks, scratches, quicking of nails, etc. In most cases this can happen when an animal is wiggling or moving around. Your pet's safety and comfort is our number one priority. In the event an accident does occur, you will be notified of the accident.
