

Robbin Gallery is a nonprofit artists' cooperative operated by Hennepin Artists of Robbin Gallery.

Our mission is to bring art to the community while motivating artists to advance their skills, expand their creative horizons and network with other artists. All visual arts are represented and encouraged.

Hennepin Artists of Robbin Gallery encourage members to participate in operating, staffing and expanding the gallery. Members acquire valuable insights on preparing, displaying and promoting their art and that of other artists.

Benefits of Robbin Gallery Membership

- Members are guaranteed entry in the two members-only shows each year.
- Members pay a reduced commission on all in-gallery art sales unless stated otherwise.
