

## London Marathon - Terms and Conditions

- I understand that the event is not organized by Run Kids Run, but by a third-party event organiser. It is my responsibility to read any terms and conditions issued by the event organiser and comply with these.
- I will be aged 18 or over on the date of the event.
- I am medically and physically fit and understand that I take part in this event at my own risk. Run Kids Run will not be held responsible for any injury or illness related to my training or taking part in this event.
- I acknowledge that Run Kids Run is unable to provide insurance for fundraising activity. And that I am responsible for securing appropriate insurance cover if required for my fundraising activity.
- I commit to raising at least the fundraising target of £5,000. I will collect and pay all money I've raised (whether by cash, cheque, CAF or via an online giving platform) to Run Kids Run within 4 weeks of the event.
- I acknowledge that all funds raised for Run Kids Run are held on trust and I am legally obliged to ensure that Run Kids Run receives the donated funds.
- I commit to raising at least 50% of the fundraising target 2 months before the event.
- It can take 8-10 weeks for a Gift Aid claim to be processed and for Run Kids Run to receive the money from HMRC. For this reason, I understand that Gift Aid will not count towards my fundraising target.
- I understand that Run Kids Run may need to share my name and email address with the event organiser and, where necessary, with other third parties involved in the administration of the event. When the event organiser contacts me, I will complete their registration process because I understand this is required to confirm my entry. I understand that if I fail to do this before the specified time, the race organiser won't allow me to take part in the event and my place will be cancelled.
- I agree that if I withdraw for any reason prior to the event, any monies raised will be non-refundable and will be treated as a donation to Run Kids Run. I understand that if there is a shortfall at that stage between the donation amount and the fundraising target, I may have to pay the remainder from my own personal funds in such a way as to be agreed in writing with Run Kids Run.
- I understand that, if the sum of £5,000 has not been paid by the date which falls six weeks after the event date, I may have to pay the remainder from my own personal funds in such a way as to be agreed in writing with Run Kids Run.
