PUBLIC PARTICIPATION

Resident Jeana Gentry 664 Twp Rd 101 had 4 concerns:

- Asked what is planned for the Wright property on corner of Twp Rd 101 and 42. Scott Markley conveyed that tentative plans are for a Store n' Lock. Concerned about the increase in traffic on Twp Rd 101 that may result. Markley thought that majority of traffic will come from 42.
- Asked for an update on Spectrum broadband project since she was informed by Spectrum that her home will not be serviceable. Trustees made it clear that the contract between the township and Spectrum guarantees service to every home in the township and anyone who wishes to sign up for Spectrum services will be offered the opportunity.
- Wanted assurance that ditching on Twp Rd 101 will take place. Jim instructed Scott Warner to get that scheduled.
- Expressed concern about heavy gravel trucks traveling on Twp Rd 101. Reported at least 5 semi-trucks per day from the neighbor's (Jessie Parks) gravel business. Trustees were unaware of the gravel business so will send zoning inspector Rick over to get an overview of what is going on.
