Resident Comments and Concerns:

Chris Galazka stated large pot hole on Twp. Rd. 251 just down from her home is getting larger and this is the second time she has reported it.

Allen Blodget stated we should make culvert pipes longer and plant grass on rails. He stated Herb does not know where right of way is and wastes time.. Allen, also, stated he would be willing to donate good sod to cemetery.

Trustee Jim, in answer to Allen, stated we used a private company to repair the deteriorating 1970 culvert on Twp.Rd.1080 and we had Herb oversee the project, but he did not stay there all day. We have, also, used the county for some of the jobs you mentioned, and I know you have used their work as an example. Herb cuts brush and trees when and if it safe for him to do so, but we have had private tree trimming companies do some to this work for us. Road

safety is one of our most important concerns. He thanked Allen for the donation of sod to the cemetery.
