

**Q. Can I keep livestock on my property in FRE?**

**A.** No, only household pets are allowed. Please reference section 3.11 of CC&Rs

"Domestic Household Pets" is interpreted and defined as a dog, cat, bird, rodent (such as a hamster), gold fish, or turtle, that is traditionally kept in the home for pleasure rather than for commercial purposes (commercial purposes include boarding and breeding). Thus, "Domestic Household Pets" includes (in reasonable numbers): domestic dogs and cats, caged birds, caged rodents (guinea pig, hamster, gerbil) and fish tanks, provided the animal (s) live(s) within the resident's home. Animals such as horses, fowl, chickens, goats, sheep, swine, llamas, and other livestock are not considered "Domestic Household Pets".
