

Erie Ski Club Presents another Escape to:

Whitefish Montana

(And Blacktail too!)

February 22-March 1, 2025

Prices start at \$1485 plus lifts (Land package)

Air: See Below

See details below or at www.eriskiclub.com

The Mountains

Whitefish used to be called Big Mountain, but that led to confusion with Big Sky so they changed it. It's just south of Glacier National Park, which borders Canada. Yeah, it's up there! The remote location means that the mountain is famous for the lack of crowds. They've got 2500 vertical feet and 3000+ acres with a good mix of terrain. There are plenty of choices for all. Here is the web site for Whitefish Mountain: <http://skiwhitefish.com>

Blacktail is a small local ski hill about an hour from Whitefish. We'll bus over there for a day trip on Thursday. They have 1440 vertical and ~1000 acres and 250" of all natural snow on average. The map shows a lot of moderate tree skiing and a fun looking bowl. Here's the web site: <https://blacktailmountain.com/>

The Accomodations

We'll be staying at the **Lodge at Whitefish Lake**. Like we would go anywhere else... If you have been there you know. AAA rates it as 4 Diamond, and they even hosted an episode of The Bachelor. This place is top shelf, by far the nicest place we have stayed. The buffet breakfast is included again! We're in the motel rooms at the Viking Lodge, with an option to upgrade to the Main Lodge Suite rooms. Here's their web site: <http://www.lodgeatwhitefishlake.com/>

The town of Whitefish offers lots of choices for nightlife and restaurants. Here's that web site: <http://www.explorewhitefish.com/> There are lots of other activities available, tours through Glacier National Park, snowmobiling, dog sledding etc. The town of Whitefish is at ~3000 feet of altitude so altitude is not a problem.

Extras

Curling! The town of Whitefish has a curling club and we are looking at setting up an optional curling session. Unfortunately this will be during the day as the ice is booked solid for evenings all winter. This will be a nice way to start a "day off".

If you wish to arrange a side trip or other activity, please let me know and I will forward your information to the group. Past trips have had zip-lining, snowmobiling and heli-skiing side trips organized independently from the "main" trip.
