Reports:

Rec Board – Easter Egg Hunt on April 9th; Rec clean-up on May 7th; Memorial Service on May 30th.

Road Master's Report - The month of February has been a busy month of plowing, skidding roads to snow melting and making a lot of washouts along roads. We moved snow out of some ditches to allow water to go where it needed to. We have a lot of washouts that will be fixed when the weather permits. We also have been working on equipment, getting them ready for spring. We are hopeful that the weather gets better in March.

Tax Collection Committee – No report.

Web Site Report – There were 281 visitors. Approximately 98% from the US.

Old Business -

Office renovation grant – Signs have been posted. They met last Thursday. Instead of doing asphalt, they are going to do concrete out in front of the building. The signatures are almost all in place.

Amanda Sparks situation – The supervisors need to sign the resolution. WIP.

Update on brine – No prices yet from Dodson. Sharpe is looking to get prices from two more places.

Update on dumpster at the Rec Complex - WIP.

New Business:

Road washouts – John Brown Rd, Beider Rd, and Humes Rd had some bad washouts. As soon as the weather clears up, the road crew will take care of them.

Mercer Rd issue – Eric Henry shared that there are several organizations that have been out to investigate the situation. The ARC, CHAPS, DEP and Fire Department are all aware. CYS was able to take care of the situation with the young child who was there. Rick Makohus mentioned that Mr. Himes is technically set up as a campground and can only have people living there for up to six months, but people are living there all year round.

Dog attack on Jouver Rd. – Teresa Jouver was attacked by Bill Bonecutter’s pitbulls. They killed her little dog and bit her all over. The dogs were turned over to the Humane Society and are going to be euthanized.

Waste Management payment – There is a discount if the payment is made online and if the billing is paperless. The supervisors want to hold off on this.

Clean-up Day- April 30th. Dumpsters will need to be ordered.
