PLANNING COMMISSION

John Lawrence - Chairman
Gary Coburn
Luigi DeFrancesco
Mike Lokuta
Don Myers

NO TAX INCREASE FOR 2022

As Township Supervisors, we were able to balance our budget once again, and therefore there will be no need for a tax increase for the year of 2022. We have not needed to raise taxes since 2007.

ROAD GRAVEL PROGRAM

We have been able to place gravel on all the roads in the township this year. The road crew have presently placed 8-9 thousand tons of gravel down, building up 4-12 inches. Many roads are down to the base with no gravel or tar and chip. There will be more gravel coming next year.

BUILDING AND SEPTIC PERMITS

Please remember that septic and building permits are required in Richmond Township. If you have any building or septic questions, please contact the township's UCC and Sewage Office Rick Makohus at (814) 392-1864.

CASTILE RD PIPE REPLACEMENT

This past summer the road crew worked many long hours on replacing a pipe on Castile Rd. This was a major project that required putting together a pipe with dimensions of 70' x 13' x 8.25'. Please take time to view the pictures of the project on the township website.

OFFICE AND MEETING ROOM

RENOVATIONS

The supervisors have applied for a grant for possible renovations of the township office, meeting room, and

bathroom to make them ADA compliant.

DITCHING IN RICHMOND

The road crew have been very busy this year due to major thunderstorms and rain totals. The township was able to purchase a Gradall that has aided in ditching many places that needed it, without taking away so much gravel like the Grader does. Over 140 loads of dirt have been ditched this past summer.

MISSING ROAD SIGNS

This past June signs were stolen from Yankee Hill Rd, Wheelock Hill Rd and Pinney's Corner. Street signs, stop signs, and township signs along with their posts were taken. Some signs have been replaced; others are in the process of being ordered. Please contact the township supervisors with any information as to who may have stolen these signs. The supervisors also ask that township residents be on the lookout for any continued related activity.

AMERICAN RESCUE PLAN ACT

Richmond Township has received money from the American Rescue Plan Act. The supervisors are working with the county as well as the state to assure that the money is used in accordance to federal regulations.

*Thanks to everyone for working together during this past year with the Covid-19 Pandemic. We greatly appreciate the residents of
Richmond Township!*
