THANK YOU!

As township residents and supervisors, we have been very blessed by the many people who volunteer their time for the many activities the township offers, from the Athletic Association to the REC board members who do so much for our community. Please seek these people out and THANK them for a job well done! Also, please consider helping them out and volunteering your time.

CHEERS TO OUR ROAD CREW

Our road crew, John and Brian, have had a busy summer. They have put down 5500 tons of gravel on the roads as of September 20th. They hope to put down more as long as the weather holds out. They have ditched many roads all over the township using the Gradall. It is more economical to use as opposed to the grader. We have saved on fuel and gravel significantly. The guys have accomplished a lot this summer. It won't be long before they will be getting trucks ready for the winter.

TOWNSHIP BUILDING **RENOVATIONS**

Richmond Township was fortunate to qualify for a grant to update the township office building and office area. The bathroom was remodeled to make it handicap accessible. In addition, a new ADA-approved door was placed at the entrance of the office building. Also, a cement pad was poured in front of the office entrance and the township garage, and a special handicapped parking spot was made to accommodate anyone who may be handicapped.

DRIVEWAY PIPES

A service that the township offers that many people are unaware of is the installation of driveway pipes. To the residents of Richmond Township that live on our gravel roads. We prefer that you contact our road Forman when installing new or replacing existing driveway pipes. In doing so we are assured that the proper size and installation are done to our specifications. Please call John @ 814-967-3822 for further instructions.

* To all townships residents that live on state or blacktop roads: Please be advised that the state requires a permit for driveway pipes and entrances. Please contact PENNDOT for further information.

A WORD FROM **SUPERVISOR DON JAMES**

I from time to time get asked, "How much does a supervisor make per year?" Most everyone is surprised by the answer. As per the Second-Class Township Code Book, township supervisors that have a population of 5000 people or less are allowed to make up to \$1875. That's correct; it's eighteen hundred seventy-five dollars per year! We schedule twelve (12) monthly meeting as well as two (2) budget meetings yearly. Our salaries are something close to \$1400 per year. As you are able to ascertain, none of us are in this for the compensation. We do this as a service to the Richmond Township residents.

Best Wishes

*to all our residents in the upcoming months
and holidays!*
