

The Richmond Township Planning Commission held a meeting on March 25 2025.

Discussion items :

\* Saldo outline from Attorney Winkler—we hope the supervisors will pursue creation of the ordinance and include an amendment of the 1951 landlord tenant act. This can be used to prevent Lucky Lane type issues.

\*Emergency services reimbursement = other county townships have enacted an ordinance that allows fire companies and other Emergency services to pursue reimbursement for services from insurance companies. It is something to think about.

\* Arch update = Mike is still pursuing history of the arch and has contacted Matt Capron about veteran groups helping with the repairs.

\*Grant opportunities = We are enrolled with the county for the county wide parks and open space plan. DCNR C2P2 IS A STATE PLAN FOR 50% of the project costs and the county is to match the other 50%.

\* Penndot District 1= We would ask the supervisors to post a request on the website for residents to post any concerns with Penndot in our township thar we could forward to District 1.
