By signing this contract, all dealers agree to and are bound by the mandate to be **at minimum 75% Comic Books** at their booth(s). 25% other will be allowed consisting of Comic Related items for sale. So long as your tables have 75% comic books on them, you can use the available space behind your tables for either Comic Book Racks, or approved other items to maximize your sales.

**Example: A plastic 5 shelf system with toys and statues.**

We are a comic book oriented show and reserve the right to respectfully decline vendors that do not fit the unique theme of our venue.

**Examples of approved "other" items can be:** T-Shirts & comic related clothing, Lunchboxes, Toys & Statues, Plush Toys, Pops, Legos, Action Figures, Models, Original Comic Art, Art Prints, Lithographs, Posters, Props, Comic Book Supplies ( Bags, boards, comic boxes, etc , etc )

We understand that there are vendors who partner up at shows; *EX: 2 guys, 2 table booth, each takes one.* When sharing space with more than 1 other vendor we reserve the right to slightly adjust pricing on the space to account for this & the loss of table sales. We ask that you be up front about your tables and who is vending at them before payment for your table(s) is made. Adding additional tables to your space is only allowable **BEHIND** your tables that are not directly accessible to the public. Changing the table layout of your space is not permitted.

**Long Island Comic Fest** © reserves the right to deny any dealer from setting up if this requirement is not met. Any deposit(s) may be forfeited if this contract is violated.
