# LICENSING & USAGE

We offer flexible music licensing options tailored to your needs—whether you require individual tracks or brand-new scores with stems.

## Types of Licenses

- **Single Track License** — License only what you need
- **Project-Based License** — Covers a group of tracks for a specific production
- **Blanket License** — Unlimited access to our library for a fixed term

## What's Included

Each track includes full, narrative, 60, 30, bumper, stinger, and alternate versions when available.

Stems are available on request.

## Where Can I Use the Music?

All of our licenses are valid for social media, YouTube, streaming, TV broadcast, theatrical, and more.

## Custom Scoring

With over 30 years of composing experience, we offer custom scores, brand themes, sonic logos, and more tailored to your project.
