Films / Trailers - Contact Leland

Indie Film

What your License is good for:

Use of music in a single film or video distributed online, or for submission to film festivals. Not to be used for broadcast on Television or promoting a product, brand or service.

NON-BROADCAST

Non-Profit

What your License is good for:

For the creation of a film or slideshow that highlights a non-profit organization as a whole. Content may include company highlights, event coverage, cultural highlights, and employee insights - films that give an overall sense of the spirit of the organization.

Personal

What your License is good for:

For personal use videos with no advertising. Uses can include personal video on social media and school/class projects.

Podcast

What your License is good for:

Individual creating a podcast solely used as bumpers, underscores, intros, outros or transitions.

Short Film / Student Film

What your License is good for:

If you're making a short film, please contact me for licensing. I want to support upcoming filmmakers and can sometimes give licenses at minimal/no cost.

Special Occasions

What your License is good for:

The creation of a slideshow or film that covers the special event such as wedding day, birthday, anniversary or similar event. Not for creating a film or slideshow to promote a business related to the event.

Vlog

What your License is good for:

Use of a music track in a video - blog (vlogging) that is hosted on the web. It can be monetized through views, ads, YouTube or other social video channels, as part of the vlogsphere world.

Webisode

What your License is good for:

Use of music in an episode of a series that is distributed as web television (webisode). It is available as either for download or in streaming.

Other Licensing Options:

I offer a variety of licensing options including Custom License Requests for projects that are continuous with similar budget/licensing requirements (TV Series, Web Series etc...), Exclusive/Custom Licenses and others. **Contact me** and I will be happy to discuss all available options.
