# Sell your products on the High Street without leaving the office!

Showcase your products & brand materials in one of our window spaces

- Launch your products into the High Street market
- Get your physical products in front of real people
- Give High Street shoppers high impact exposure to your brand

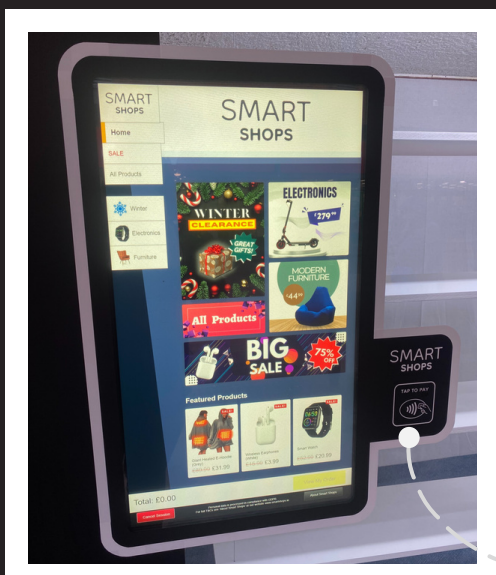

## Smart Shops use Touch Screens

Shoppers can:

- Explore your products
- Find out more about your brand
- Order your products for home delivery

— Uses contactless payment

# How it works

1

Choose your location & book your slot

2

Send us your products and display materials

3

We create your High Street display for shoppers to see

4

Contactless  
Payment

Shoppers  
use the touch  
screen to browse  
& order your  
products

5

We send  
you your  
customer's  
details

6

You send  
out the  
products

7

We send  
you your  
payment
