

DESCRIPTION:

BLUE GIANT CLEANER

Blue Giant Cleaner is a heavy duty, non-butyl degreasant/detergent concentrate. It dissolves oils and greases, lifting and emulsifying them for easy, total soil removal. Select the appropriate dilution to control the cleaning performance you want:

- Dilute 1 to 200 to light mop or clothe clean surfaces like floors, walls, or windowsills.
- Dilute 1 to 25 to quickly scrub or spray away greases, or oils.
- Dilute 1 to 10 to strip tough, caked greases and oils.

APPLICATIONS:

Industrial Equipment

(Lathes, printing presses, machinery, etc.)

Transportation

(Airplane fuselage, trucks, trains, ships, buses, etc.)

Floor scrubbing machines and steam cleaning equipment

BENEFITS:

Non-toxic and biodegradable

Revolutionary cleaning system for superior degreasing and Emulsification of grease and oil
