

Accessibility Statement

Effective Date: March 2, 2026

Venn Network, LLC is committed to making our website accessible and usable for as many people as possible, including individuals with disabilities.

We strive to ensure that our website is designed and maintained in a way that supports accessibility and usability, and we work to improve the user experience for all visitors.

Our goal is to provide access to information and content in a manner that is inclusive and respectful of different needs and abilities.

In developing and maintaining this website, we seek to follow generally recognized accessibility principles and best practices, including guidance from the Web Content Accessibility Guidelines (WCAG), where reasonably practicable. However, we recognize that accessibility is an ongoing effort, and some content or functionality may not yet be fully accessible in all circumstances.

Our website may include third-party tools or content (such as scheduling or embedded services) that are not fully under our control. While we encourage accessibility from our service providers, we cannot guarantee the accessibility of third-party platforms.

Venn Network is a fully remote organization and does not maintain public-facing physical office locations.

If you experience difficulty accessing any part of our website, or if you have questions, feedback, or suggestions regarding accessibility, we encourage you to contact us. We will make reasonable efforts to address accessibility concerns and improve the user experience where feasible.
