FASCHING at Brookhaven Country Club!! We have booked the band and more details to come!

German American Club of Dallas
Tuition Assistance Program

The German American Club (GAC) of Dallas has encouraged its members to learn the German language. In 2019 the GAC established a program to re-imburse members and their minor children for a portion of their cost for successfully completing a semester of German language at a bona fide school. We welcome anyone who would like to participate in this program to join the German American Club of Dallas and then enroll in a German language class.
