

Just Moved?

10 SMART TIPS TO UNPACK FASTER & SETTLE IN SOONER

-  **Start With Your Essentials**
Keep important items—documents, meds, chargers, toiletries, and a few days of clothes—easy to find.
-  **Focus on the Most Important Rooms First**
Start with bedrooms, bathrooms, and the kitchen to make daily life easier right away.
-  **Unpack One Room at a Time**
Finish one space before moving on to the next to avoid feeling overwhelmed.
-  **Set Up Furniture First**
Place beds, tables, sofas, and large pieces before unpacking smaller items.
-  **Use Your Labels**
Clearly marked boxes save time and help everything go in the right place.
-  **Declutter as You Go**
Donate, recycle, or toss items you no longer need or use.
-  **Break Down Empty Boxes Daily**
Keeping boxes under control helps your home feel organized sooner.
-  **Clean Before Putting Things Away**
Wipe down shelves, cabinets, and surfaces before you unpack.
-  **Pace Yourself**
You don't have to do it all in one day. Progress, not perfection!
-  **Have a Game Plan**
A room-by-room plan keeps you focused and helps you settle in faster.

★ BONUS TIP

Finish one box completely before opening another. It keeps clutter down and creates a sense of accomplishment!
