WHAT TO EXPECT

Think the Driving Experience will be a gimmick or publicity stunt?

Don't think you can participate because you don't have race gear?

Think you will just be riding in the passenger seat with an instructor?

THINK AGAIN!

You will drive one of the race cars in our fleet.

You will receive the same coaching, data review, video, and other tools used for all of our tests and races. If you don't have current race gear, we will provide it for you.

GET THE EXACT RESULTS YOU WANT

Nine Four Motorsports is committed to meeting the needs of every driver.

We will work with you to tailor the Driving Experience to meet the goals that you have both on and off the race track.
