The Worship Experience (TWE) invites you to stand with us in a time when our communities need hope, healing, and unity more than ever. Since the pandemic, church attendance has declined, but the need for God's presence has only grown. That's why TWE, a 501(c)(3) nonprofit, was founded in 2022 with a clear mission: to unite churches, empower communities, and take Christ beyond the walls into the heart of the city through authentic worship and outreach. Through events like our Fall Worship Festival, we create spaces where barriers are broken, lives are touched, and families encounter the life-changing power of God's Word. This year, on Saturday, October 17th in Downtown Pensacola, we're gathering the community, leaders, and partners to worship together, enjoy food, fellowship, and fun—and most importantly, to bring hope to a hurting world. By joining us, you're not just supporting an event—you're helping advance a movement to restore faith, strengthen families, and transform communities.

YOU AND YOUR TEAM ARE CORDIALLY INVITED TO JOIN US FOR AN UNFORGETTABLE AFTERNOON AS WE BRING JOY AND HOPE TO OUR COMMUNITY
