

Come enjoy a fun and safe day and support the Lowcountry Farm Conservation (501c3). Tickets are \$30 per person (children 3 and under are free).

Did you know goats LOVE LOVE LOVE pumpkins? Pumpkin meat and seeds are one of their favorites. Carve your pumpkins and help us keep the meat and seeds to feed the goats. Pumpkins provide a natural defense for goats to fight off certain parasites. Come leave your mess for us, help the goats and support a good cause.

Come carve your pumpkin, play games, play with goats and support the programs of the Lowcountry Farm Conservation.

All tickets price include pumpkin, individual unopened carving kits, sanitized drawing pens, age appropriate art projects, fun gifts, drinks and games!

Each group will be given a private table with a maximum of 15 people per 2 hour time slots. Each group will have a private tour guide of the farm that will socially distance, have mask and lots of hand sanitizer. Bathroom and washing station is available!

Lowcountry Farm Conservation is a new nonprofit educating everyone on the importance of local food sourcing and the efforts of farmers in the Lowcountry community. The monies raised from this event will be used to start a program for special needs children that currently impacted by COVID restrictions. Children with special needs are some of the most impacted during the COVID pandemic. Many families are struggling with not having access to social groups and outside connections. The Lowcountry Farm Conservation provides unique and safe opportunities for special need families to meet, socialize and provide therapy in a farm setting. For more information, please contact [lowcountryfarm@gmail.com](mailto:lowcountryfarm@gmail.com).
