BRING IT TO *God*

PROBLEM:

Me

What can I do? What is
my part? Is there
something I haven't
tried yet?

Help

Who might be able to
help me if I asked?
How might they help
me?

God

How can God help?
Remember, He is not in
the business of granting
wishes, but strengthens
us and assists us in our
efforts. He will not do
for us, what we can
already do ourselves.
