Guest Book

Please make sure to fill out our guest book.

Over the last 30 years, as our family vacationed at Sundial, we enjoyed reading the guest books left behind by the many condo owners for their guests to fill out. These books were always filled with wonderful family memories, anecdotes, and experiences.

We would love to continue the tradition by inviting your family to do the same; leave a little memory to read on your future returns.

You can find the guest book on top of the bookshelf. Also, remember to leave a tiny shell on the bookshelf as a token of your visit.
