SUMMARY

Judicial Review LLC a full range of Equal Employment (EEO) and Diversity Training, and Consulting Services. We are minority and woman-owned, and service agencies nationwide and abroad. Judicial Review employs former Equal Employment Opportunity Commission (EEOC) investigators, several of which are bilingual (Spanish).

DIFFERENTIATORS

Judicial Review was born out of the desire of Owner Veroneca Burgess, Esq. (a former Administrative Judge) to educate the workforce regarding the ins and outs of discrimination, and, as a result, reduce the number of EEO complaints. Judge Burgess's experience has assisted countless agencies in dealing with EEO and diversity related issues potentially tied directly to the agency's bottom line.
