

FOOD INSECURITY PERFORMANCE

The Family FOCCUS Initiative

Future Observers Creating Change Unified in Service

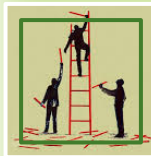

www.TheFamilyFoccusInitiativeLLC.org

The Family FOCCUS Initiative (“FFI”) community outreach team works to connect, organize, and inspire the Gaston County school’s internal champions by providing targeted support based on their specific need to educate and engage our students, their families, and teachers.

FFI’s Food Insecurity – *Pillar of Success* - supports the holistic implementation of an “**quality of education**” model which is dynamically shaped to support at-risk participants and their families with the resources required for their journey towards **Self-sufficiency**.

Thanksgiving Meals per Family.

Daniel Sweat Equity.

Meal Bags with Recipes books.

Food Insecurity

During the 2020 holidays, FFI was blessed to be able to provide nutritional support to ten (10) food-insecure families of 4 people with **Thanksgiving Meal Bags** and ten (10) families of 4 people with **Christmas Meal Bags**, which equates to eighty (80) family members receiving holiday nutrition.
