

CORPORATE PROFILE

Our Corporate Identity

African Consulting Group (ACG), a specialised provider of integrated Business, Corporate and Investor Services. As a business enable, ACG provides outsourced expertise that allows you to concentrate on what you do best – Building Business.

As a people-oriented organisation we have always been committed to investing in the development of our staff to ensure the continued success of our business. We pride ourselves on employing the best in the industry and recognize that it is our people who are the essence and lifeblood of the ACG.

Our Vision

As an international corporate service and management consulting company, we are committed to delivering a range of services which bring demonstrable value to our clients.

We recognise the vital role our people play in delivering service excellence. Our unique combination of knowledge, experience, expertise and a passion for what we do allows us to continue to exceed client expectations at every opportunity and, as such, we are resolute in our endeavours to attracting, motivating and retaining the very best talent.

We aim to be the 'Company of Choice' for existing and future employees, clients, business partners and investors.

Our Mission

As a dynamic, yet innovative corporate service provider, our Mission is “ To create and enhance customers’ expectations by providing superior corporate services, in a cost effective manner through dynamic leadership, good governance, innovation, advanced technology and an empowered and knowledgeable staff.”

Our Values

Our shared values penetrate the whole of our business and are the driving force behind our success. They define our vision of the future, our business strategies and our corporate goals. They are representative of who we are and how we behave towards colleagues and clients. They impact our daily working life and set us apart from the competition.

Everything we do at the ACG is about choice. We offer our clients a range of innovative solutions and services that best suit their needs. We offer our employees’ opportunities to develop their skills, take on new challenges, and broaden their horizons through a range of initiatives and training programmes.

As a unique consultancy firm and corporate services provider, we direct our own destiny and lead where others will follow.
