

**NOTICE DATED 8/21/19**  
**PUBLICALLY POSTED ON COMPANY WEBSITE 8/21/19**

This **NOTICE** is for all customers: If using a credit card for your rental vehicle to cover Collision Damage Waiver (“**CDW**”), also commonly referred to Loss Damage Waiver (“**LDW**”), please be sure to confirm that your credit card provider’s policy continues to cover damages in the event of incident. We have experienced that a couple credit card providers have altered or changed their policies and it is our customers’ best interest to confirm coverage prior to renting any vehicle.

Please read and review the “Rental Agreement Terms & Conditions” document for full details pertaining to responsibilities for liability and insurance on all rental vehicles.
