DIAL-A-HEIGHT

This lets the operator easily adjust
the deck height by quarter-inch increments.

PARKER HTG TRANSMISSION

Warranty that matches the machine warranty and allows up to 15 mph
operation. Making the Pro-Turn 600 a very efficient mower for any crew
trying to get work out of every daylight hour.

X-FACTOR® 3 DECK

The deck has been completely redesigned for better grass dispersion.
Its new look is constructed from 7-gauge steel to deliver years of
solid performance.

OPERATOR POD SYSTEM

Separates the operator from the mower's bouncing and jostling. You'll feel
like you're floating as you mow faster and more comfortably,
without sacrificing control.
