

GRAVELLY

2023 PRODUCT CATALOG

WE PUT SO
MUCH INTO OUR
MOWERS. WHICH
IS WHY YOU GET
SO MUCH OUT
OF THEM.

BLOOD, SWEAT & TEARS? SURE, THEY'RE
IN THERE. HEART & SOUL? MAXED OUT.
PRIDE? YOU'D BETTER BELIEVE IT. THEN,
OF COURSE, THERE'S ALL THE SUPERIOR
ENGINEERING, INNOVATION, AND ONLY
THE BEST PARTS FROM THE SMALLEST
BOLT TO OUR HEAVIEST-GAUGE STEEL. SO,
IF YOU'RE WONDERING WHY YOU SHOULD
CHOOSE GRAVELY, OUR ONLY QUESTION
IS HOW LONG OF A LIST WOULD YOU LIKE?

REASONS WHY GRAVELY IS THE BETTER-BUILT LAWN MOWER CHOICE

That's about how many parts go into some of our lawn mowers. And we don't skimp on a single one of them. Sure, we could save a few dollars here, a few cents there, but then we'd be building the same machines everyone else builds. But we're not. We're building Gravelys. Only the best parts will do.

OUR FAMILY TREE

must have deep roots. How else could it support all these branches? The Gravely brand keeps growing and growing. That's what happens when you keep up with the demands of your customers. Commercial, residential, stand-ons, utility, electric, this is a prolific family of products with an unmatched pedigree.

OUR SPECIFICATIONS COME FROM YOUR EXPECTATIONS.

You are the reason we do what we do. We know how hard you work out there and it's our job to make sure our machines do the same. We design and engineer everything we build to be put through the same punishments you put yourself through. Early mornings. Long days. Unloading after dusk. You don't let up, so your equipment better not either. We share the same work ethic: a job isn't done until it's done right.

COMPACT-PRO[®]

COMMERCIAL STRENGTH
BROUGHT DOWN TO SIZE.

The Compact-Pro[®] was designed to take you where bigger mowers can't, like through gates as narrow as 36". It's a smaller, more nimble ride but is still loaded with features like our bigger machines. This is power and durability with maximum versatility.

34"

MODEL - 991144

15.5 HP Kawasaki[®] FX481V Engine

44"

MODEL - 991145

19 HP Kawasaki[®] FX600V Engine

SMALLER FOOTPRINT

The Compact-Pro[®] easily passes through gates as narrow as 36 inches and nimbly maneuvers around common residential obstacles

FUEL TANK DESIGN Increases stability and improves machine handling and visibility.

KAWASAKI[®] FX ENGINE Powered by a Kawasaki[®] FX Engine that touts a heavy-duty canister air cleaner to optimize performance in all conditions and extend engine life.

4YR OR 750HR
— WARRANTY —

PRO-TURN[®] ZX

CUTS LAWNS BEAUTIFULLY WITHOUT CUTTING CORNERS.

The Pro-Turn[®] ZX delivers the performance you expect from a Gravelly. You'll feel its solid construction the moment you climb aboard. It easily handles tough commercial jobs yet leaves a beautifully manicured lawn. With the Pro-Turn[®] ZX the term "A lot of bang for your buck" definitely comes to mind.

23.5 HP Kawasaki[®] FX730V Engine

AN AUTOMOTIVE-STYLE TUBULAR FRAME It's unique to the mowing industry and increases durability by withstanding force from any direction. This high-strength, premium frame is positioned with a lower center of gravity to improve stability while mowing on hillsides.

ZT-3200[®] TRANSAXLES They're more heavy duty and can handle higher speeds. They're also commercial grade and serviceable for a longer life span.

X-FACTOR[®] 3 DECK The deck has been completely redesigned for better grass dispersion. Its new look is constructed from 7-gauge steel to deliver years of solid performance.

SUSPENSION FORKS Big impacts on rough terrain go virtually unnoticed by the operator. They also improve the overall ride and decrease driver fatigue.

PRO-TURN[®] 100

THE PERFECT BALANCE OF
PERFORMANCE AND POWER.

This machine was built for the long haul. Hour after hour, acre after acre, you'll appreciate its comfort as much as its consistent cutting results. Take your pick of its three mower decks and get ready to tackle the toughest jobs out there. Then rest up because it'll be ready to tackle more the next day.

CBT SYSTEM Our Constant Belt Tension System (CBT) ensures that belt tension is constant, keeping the blade tip speed and cutting results consistent.

X-FACTOR[®] II DECK Fabricated from top to bottom, this 7-gauge steel deck provides industrial-strength peace of mind.

SEATING SYSTEM All-day comfort comes from the high-back suspension seat with improved lateral stability and added vibration control, along with a 4-inch seat slide, lumbar support, and padded armrest.

The image features three Gravely commercial mowers in a dark, studio-like setting. The mower on the left is a large Pro-Turn 560, shown from a rear-quarter perspective. The middle mower is a smaller model, possibly an Ego, shown from a side profile. The mower on the right is another model, possibly a 600, shown from a front-quarter perspective. All mowers are primarily red with grey accents and have the Gravely logo prominently displayed. The lighting is dramatic, highlighting the contours of the machines against a dark background.

WE TOOK THE GOLDBLOCKS APPROACH:
ONE WILL BE JUST RIGHT.

THREE DIFFERENT MOWERS, EACH DESIGNED AND ENGINEERED FOR SPECIFIC WANTS AND NEEDS. These are the big boys who put the “heavy” in “heavy-duty” and reinvented how comfortable a commercial mower can operate. Take your pick, any one of these machines will define your fleet and your entire crew will ride with pride.

PRO-TURN[®] 300

COMFORT AND DURABILITY,
YARD AFTER YARD AFTER
YARD AFTER
YARD...

A newly designed, hardworking mower built to keep its operators comfortable from dawn to dusk. This is next-level mowing thanks to its innovative features and superior cutting performance. A triumph in ingenuity and power that is equal parts David and Goliath, with the ultimate winner being the lawns it cuts.

COMFORTABLE SEAT High back seat has lumbar support and molded armrests. Its red double stitching gives a high-end look with black, dark grey, and red accents.

PARKER TRANSAXLES Parker HTJ transaxles deliver a stop speed of 11 mph and have 12cc pump. Filters are accessed from the rear for easy maintenance. It's one complete system, eliminating the need for additional parts

PRO-TURN[®] MACH-ONE

DEVOURS TALL GRASS FOR BREAKFAST,
LUNCH, AND DINNER.

Thanks to the tunnel chamber design of its deck, the Pro-Turn[®] Mach One is able to direct debris away from the blades to prevent them from bogging down. That means thick wet conditions, overgrown properties, even stalky grasses are easily cut down to size.

60"

MODEL - 992515

31 HP Kawasaki[®] FX921V Engine

HIGH-VOLUME OUTPUT (HVO) DECK
The depth of this deck increases from its trim side to its discharge chute. That means it can handle a higher volume of clippings without clogging up.

TUNNEL CHAMBER An advanced cutting chamber is formed by setting the blades back four inches from the front of the deck for less clumping and even grass dispersion.

INTEGRATED SEAT ISOLATORS Bumps and engine vibration are smoothed out thanks to vibration-absorbing dampers.

5YR OR 1500HR
— WARRANTY —

PRO-TURN® 500

AN UP-AND-COMING
LEGEND IN THE FIELD.

This is the Pro-Turn® 500. A commercial-grade mower for professionals who want rugged durability without sacrificing features and performance. Better seating, better tires, a better mowing deck, and a better transmission make the Pro-Turn® 500 the better choice among the competition.

COMFORTABLE SEAT High back seat has lumbar support and padded armrests, and its isolated mounting absorbs more shock.

FULLY WELDED TUBULAR FRAME Strong and rugged, its wide front rail distributes weight for superior balance and supports the deck lift for easy engagement.

PARKER TRANSAXLES They deliver a top speed of 15mph and have a 16cc pump. Access filters from the rear for easy maintenance.

PRO-TURN® 600

MOW BIG OR STAY HOME.

When you climb aboard this mountain of a machine you know you've reached the summit of performance and comfort. It's loaded with features and built as tough as the people who use it. But that rugged construction didn't sacrifice comfort. It delivers the smoothest ride so operators will feel fresh from the first job of the day to last.

OPERATOR POD SYSTEM Separates the operator from the mower's bouncing and jostling. You'll feel like you're floating as you mow faster and more comfortably, without sacrificing control.

DIAL-A-HEIGHT This lets the operator easily adjust the deck height by quarter-inch increments.

X-FACTOR® 3 DECK The deck has been completely redesigned for better grass dispersion. Its new look is constructed from 7-gauge steel to deliver years of solid performance.

POWERED BY

It's the most forward-thinking battery system available, delivering the juice needed to keep you mowing the distance. These batteries are crammed with power, 4 kWh lithium-ion kind of power. That means combined, you have 16 kWh of total energy. This is battery power that you can rely on for all-day commercial performance.

THE BUZZ ON OUR EV LINE IS EXPANDING

WE'VE TAKEN THE SUCCESS OF OUR PRO-TURN EV'S SUPERIOR DESIGN & TECHNOLOGY AND INCORPORATED IT INTO A STANDING UNIT. ALL THE POWER OUR FUSIONCORE BATTERY SYSTEM DELIVERS, RECONFIGURED TO OUR PRO-STANCE MODEL. IT'S ANOTHER OPTION FOR GOING ELECTRIC, AND IT'S BEEN GETTING A LOT OF STANDING OVATIONS.

PRO-TURN[®] EV

THAT QUIET HUM IS WHAT
ADVANCED TECHNOLOGY
SOUNDS LIKE.

Powered by the superior battery technology from Fusioncore™, the EV's four swappable batteries deliver all-day, reliable, high-performance power. It's exactly what you've come to expect from Gravely and what you need in a commercial mower. You'll forget pullies, belts, engine oil changes, and driving vibrations even exist.

FUSIONCORE QUICKSWAP BATTERIES

Batteries can be switched in seconds to ensure you and your crew can continue to cut all day and beyond.

X3 CONSTANT DRIVE SPINDLES

Our proprietary spindles have a blade slip feature that prevents damage in the event of an impact. They also have a bottom bearing for easy serviceability for routine maintenance which avoids the need to replace the entire spindle.

NEXT-GEN WHEEL DRIVES

Transaxles are driven with a brushless electric-drive motor coupled with a dual-reduction planetary gearbox.

PRO-STANCE[®] EV

WE PROUDLY STAND BEHIND
ITS ELECTRIC POWER.
YOU WILL TOO.

Don't just sit there, step up to the future of mowing and stand up for green, eco-friendly service. Its power comes from the FusionCore™ battery system that can keep your crew cutting all day and longer. No more stops to fill gas tanks, just swap fully-charged batteries in seconds and continue the job. You'll also save time on maintenance since there are no oil filters or oil to change

QUICK BATTERY SWAP SYSTEMS

Gravely EV mowers include a quick-swap battery system that allows you to run your mowers all day. No need to stop when the battery runs out. Just simply swap a new battery in and keep on mowing!

QUIET OPERATION Gas-powered lawn mowers are loud, especially in urban areas where the sound bounces off the structures. Electric mowers do not have the loud noises, or the vibrations mowers typically need to deal with when using gas. Lower noise pollution is a great.

PRO-STANCE®

THE MOWER THAT STANDS
FOR POWER AND
PERFORMANCE.

Some environments demand the versatility a standing mower brings, where operators can quickly jump on and off. The Pro-Stance delivers that and more with a deck that easily adjusts, a suspension platform to absorb vibration for all-day comfort, and the best cutting deck in the business.

X-FACTOR® 3 DECK The deck has been completely redesigned for better grass dispersion. Its new look is constructed from 7-gauge steel to deliver years of solid performance.

TRANSMISSION The ZT-3400 integrated transmission boasts an industry-leading 1.125-inch axle for heavy loads (32" and 36" model uses ZT-3100).

DECK HEIGHT ADJUSTMENT The dual height-adjustment system was designed with both a traditional hand lever and a foot lever to lift and adjust the deck. It's perfect for smaller operators who may struggle with traditional hand lever lifts.

Z-STANCE[®]

STAND TALL ON
THE TURF.

You take a stand for comfort, ingenuity, and durability when you're on a Z-stance. This is a powerful commercial stand-on mower that's easy to maneuver and just as easy to maintain. It makes quick work of a corporate campus or a gated backyard and helps save time and energy by keeping operators on their feet.

HAUL IT SCOOP IT LIFT IT PUSH IT

WHATEVER IT IS YOU
NEED TO DO, WE HAVE THE
MACHINES TO DO IT.

SURE, WE'RE KNOWN FOR OUR MOWERS, BUT THEY'RE NOT THE ONLY RUGGED MACHINES IN THE GRAVELY LINE. OUR ATLAS JSV HAS THE POWER, TORQUE, AND HEAVY-DUTY SUSPENSION TO HAUL, TRANSPORT, TOW, DUMP - YOU NAME IT. AND IT EASILY SEATS THREE TO SIX. OR MAYBE YOU NEED A POWERFUL MULTI-TOOL TO ADD VERSATILITY AND EFFICIENCY TO YOUR CREW, THE AXIS PERFORMS A TON OF JOBS, INCLUDING MAXIMIZING THE CREW'S TIME IN THE FIELD.

ZT X

**BRING PROFESSIONAL
STANDARDS TO
YOUR LAWN.**

This is the residential lawnmower that's often mistaken for a commercial mowing machine. It's no surprise with its heavy-duty construction, professional features, and legendary Gravelly performance. When you have a ZT X on your lawn, your neighborhood will know you're upping your lawn game to the next level.

NEW X-FACTOR® 11-GAUGE FABRICATED DECK Inspired by our commercial machines, this all new 4 1/2 inch-deep steel deck optimizes airflow, and the reinforced sloped nose allows more room for grass to stand up ahead of the cutting chamber for our best cut ever on a residential machine.

CUSTOM MOLDED GRIPS Two-tone, Gravely-Red and black molded grips feel great to the touch, absorb the engine vibration, and ensure you are in constant control of your machine.

LIMITED EDITION SEAT Comfortable high back seat with armrests is ready for a long day of mowing and looks great on the grass or even parked in the garage. Wide seat base with bolstered padding, along with high-back cushions provide extra comfort and a secure ride.

HOC PIN BOX
for height selection.

LARGE FUEL TANK

RUBBER FLOOR MAT
Secure footing, vibration dampening, and extra cushioning while mowing.

LIGHTING KIT It may be named STEALTH, but it loves to be seen. Its bright, dual lighting makes sure of it.

FULLY WELDED TUBULAR FRAME The ZT HD STEALTH offers a superior and more robust welded tubular frame, giving you the integrity of a commercial frame in a residential package.

X-FACTOR® 3 DECK Made with 10-gauge steel and specially designed for better grass dispersion thanks to its larger discharge opening, integrated baffles, and sloped front end.

22 X 11 AGGRESSIVE REAR TIRES Big tires with aggressive tread continue the Stealth's premium look while delivering superior traction.

**MODEL
991271**

52" 23 HP KAWASAKI® FR691V ENGINE | WARRANTY: 4YR OR 500 HOUR
Military-inspired design with tactical graphics and badging make the ZT HD STEALTH® unlike any other mower on the market. It's built at the intersection of power and style with two-tone black paint and Kawasaki power. When you hit the ignition and engage the blades, the grass will never know what cut it.

OUTFIT YOUR GRAVELLY WITH MORE OF THE BEST.

These additional tools and accessories have been meticulously engineered and come straight from the factory to fit seamlessly with your machine. They can help shave time off your schedule or help lighten the load. Looks like you can improve on perfection.

MAINTENANCE KITS

Gravelly maintenance kits offer a complete service package, designed to protect your engine and promote optimal performance levels.

OEM OIL

Gravelly Oils are specifically formulated to provide protection for your engine in the toughest of environments.

OEM BELTS

Designed to be a perfect fit for your machine, Gravelly OEM belts provide the strength, longevity and quality needed to enhance performance and cut quality.

MULCH KIT

Separate cutting chambers for each blade produce smaller clippings for a professionally manicured appearance.

LASEREDGE BLADE

These self-sharpening blades last up to 5 times longer than standard blades, helping to minimize downtime.

POWERED DECK LIFT

Powered lift kits make cutting-height adjustments smooth and simple.

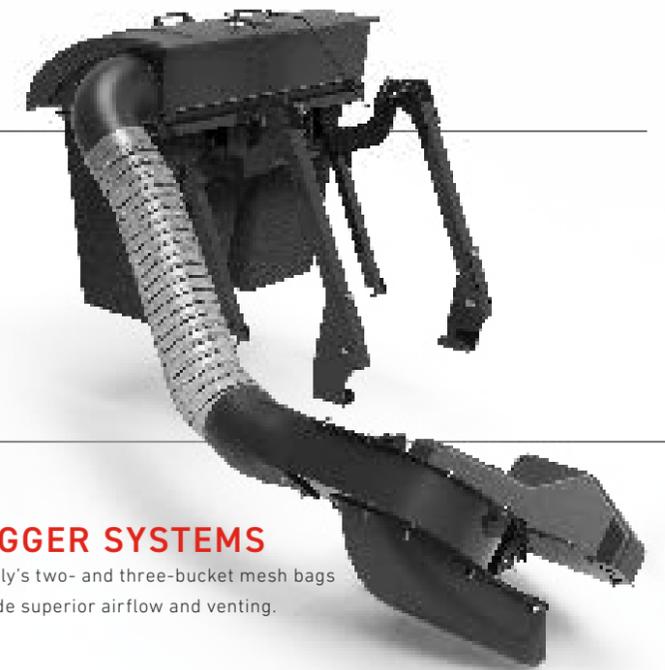

REAR TWEEL

These airless, run-flat tires help to minimize your downtime and dampen the effect of uneven terrain.

BAGGER SYSTEMS

Gravelly's two- and three-bucket mesh bags provide superior airflow and venting.

LIGHT KIT

The LED headlight kit will light your way and keep you cutting long after others call it a day.

HITCH KIT

Add a hitch kit to enjoy unmatched versatility with a variety of tow-behind options.

AMERICAN MADE

IT STILL MEANS THE WORLD TO US

For over 100 years every Gravelly that's come off our line has been built right here in the USA – and that's not changing any time soon. Because we believe in American ingenuity. We believe in the American work ethic. And just like the people who ride on a Gravelly, we believe in doing the job right. That's not only the American way, that's the Gravelly way.

WE CUT FINANCING WORRIES DOWN TO SIZE.

We build mowers to mow, not sit on a showroom floor. That's why we provide financing options to make sure these machines are out there working. We have a network of authorized independent finance companies with affordable finance plans. Don't settle for an inferior product. Do the job right with a Gravelly.
