

CELEBRATING 90 YEARS
ARIENS 2023

GOOD TURNS. EVERY DAY.

You do more than is required without expectation. You show up each day without fail. Work without complaint. You take pride in your property. Everyone knows you'll always help your neighbor. You leave boasting to others and speak through your work. Your effort is a silent testimony. Your results are all the proof needed. When your home is your castle, a bright orange Ariens is your mower.

BACK IN 1933, during the Great Depression, Henry Ariens had a vision, an idea on how to improve rotary tiller machines. That idea sparked the birth of the Ariens Company in the small town of Brillion, Wisconsin. Today Ariens is a globally recognized manufacturer that engineers and builds power equipment unparalleled on the world stage. This fifth generation, family-owned company remains rooted in the same small-town, and continues the same principles of hard work and integrity forged by Henry 90 years ago.

ROOTED IN RESULTS.

ROTARY *Ariens* TILLAGE

90 YEARS OF INNOVATION.

A COMPANY FOUNDED ON HARD WORK AND VALUES.

AT ARIENS[®], WE'RE TAKING THE WORK OUT OF YARD WORK.

Ariens engineering eases your yard work with comfort, innovative design and durable construction to give you a great lawn every time you leave your garage. Our products do more than cut grass, they create confidence, helping you take your lawn to the next level.

Every piece of Ariens lawn equipment has been designed in Brillion. A small Wisconsin town where hard work and a hand shake is still a way of life. It's here that Henry Ariens built a reputation for excellence that is now found in garages like yours around the world.

Whether you're facing overwhelming acreage, hills, or just your little plot of lawn, Ariens has the tools and expertise to make your effort go further and make your work rewarding.

THE RAZOR

**A WALK-BEHIND THAT'S
FORWARD-THINKING.**

Whether it's for smaller lawns or to touch-up after your zero turn mower, the Ariens RAZOR has the power and versatility to get the job done quickly and easily. Each model has a deep steel deck for better mulching and more durability. You can mulch, bag, or disperse your clippings because the RAZOR mows the way you want to mow.

RAZOR

SERIES

A NEW DIRECTION FOR WALK-BEHIND MOWERS.

The new Ariens® RAZOR walk-behind mower is the right choice for anyone who takes pride in their lawn. This versatile machine quickly converts between mulching, bagging or rear discharge, making it the perfect option for any home owner. You'll mow through thick, tall grass with ease with the deep 5.5" deck. Every RAZOR comes standard with a powerful Briggs & Stratton® engine with Readystart®, which never needs an oil change.

REFLEX™ DRIVE SYSTEM

REFLEX™ speed control technology matches the mower to your pace between 1 and 4 MPH. The Ariens REFLEX drive system is available on select models.

3-IN-1 DESIGN TO MOW YOUR WAY

This versatile machine quickly converts between mulching, bagging, or rear discharge – your choice.

DUAL LEVER HEIGHT ADJUSTMENT

Quickly change the cutting height between 7 different positions from 1 to 4 inches.

14 GAUGE STEEL DECK

5.5" deep deck delivers superior mulching results while its 14-gauge steel provides more durability.

CUSTOM WHEELS

8-inch front and 10-inch rear wheels ensure smooth, easy rolling operation over all types of terrain.

LARGE BAGGER WITH DUST BLOCK

2-bushel bagger saves time since it cuts down on how often you need to empty it.

DUAL BLADE DESIGN - AVAILABLE

Dual cutting blades atomize grass as the primary blade's LaserEdge® Eversharp™ technology stays sharp longer and self-sharpen while cutting.

REDESIGNED TO BE GROUND BREAKING.

THE ARIENS® NEW LINE UP OF ZERO TURN MOWERS BREAKS NEW GROUND FOR ANY SIZE LAWN.

Innovative engineering propels the entire line of Ariens zero turn mowers forward. Fresh ideas and real-world upgrades make this generation of mower more powerful, more durable, more comfortable and more efficient than ever before.

The lineup integrates commercial grade knowhow. A formed tubular frame delivers dependable strength and heavy-duty construction features a 10-gauge welded deck and the innovative ENVY Elite Cutting System. Both combine for a machine that runs with efficiency and is easy to maintain.

Wider tires and high-back seats bring much needed comfort to long mows and a line-up of industry leading engines ensures you've got the power to tackle the toughest lawn. Add in ergonomics redesigns and you've got a new line up that puts competitors to shame.

No detail has been overlooked in the all new Zero Turn Line Up from Ariens.

THE EDGE

**SMALLER LAWNS
ALSO DESERVE
BIG PERFORMANCE.**

Comfort, durability, and Zero-Turn versatility are all wrapped up in a manageable, compact design. The EDGE's high-impact graphics announce to your neighbors that you take pride in your lawn, while at the same time remind them why yours is always the best-looking one on the block.

EDGE

SERIES

2 YEAR
OR
150 HOURS
WARRANTY

BIG PERFORMANCE PERFECT FOR SMALLER LAWNS.

Compact and packed with features, the EDGE provides an exemplary combination of comfort, durability, and versatility. Engineered to glide through tight spaces and manage tricky angles, the EDGE's zero-turn flexibility makes it a workhorse for small and medium lawns.

7-POSITION HEIGHT OF CUT

A foot operated deck lift system makes cutting height adjustments a breeze. Hand lever can adjust the deck in 1/2" increments.

DEPENDABLE POWER

Briggs & Stratton® V-Twin or Kawasaki® V-Twin engines are reliable and always ready to tackle the weekend mow and more.

UPDATED GRAPHICS

New graphics deliver a high "wow factor" at first glance and beyond. They quickly tell the world this is not just any ordinary mower.

MOWER DECK

Choose from a 34" stamped deck, sized to fit through standard gates and handle medium-sized lawns, or commercial-inspired 42" and 52" 11-gauge fabricated decks.

ARIENS

MEET THE DECK THAT'S THE ENVY OF THE INDUSTRY.

Our ENVY™ deck is the main component of the Envy™ Elite Cutting System. Its premium construction includes heavy gauge fabricated steel, reinforced trim edge, and caged anti-scalp wheels. It was engineered to deliver a perfect cut thanks to its superior blades and baffles designed for optimized airflow. The deep cutting chambers lift the grass for a clean, uniform cut and its wide discharge chute disperses clippings better – even in wet, heavy grass. What's more, it's maintenance free. The open-ended belt covers to allow debris to blow out which keeps the deck belt drive system at peak performance. And its heavy-duty cold forged aluminum spindles with large diameter bearings keep that performance consistent year after year. It's envied throughout the industry and in every neighborhood.

THE IKON

**DURABILITY AND
POWER MEET FUNCTION
AND FLEXIBILITY.**

Built to take whatever your yard dishes out. Its solid tubular frame delivers reliable support while its plush high-back seat and premium steering grips keep you comfortable while mowing even the biggest lawns. The IKON isn't just equipped with Ariens' most advanced features, it also cuts beautifully and looks great while doing it acre after acre, season after season.

DISCOVER THE DIFFERENCE EACH DETAIL MAKES.

You'll find upgrades on every inch of the all-new IKON. Stacked with horsepower, the IKON easily takes on your toughest acreage without sacrificing operator comfort. Innovative new features make even all-day mowing effortless.

NEW HEIGHT OF CUT SYSTEM WITH 13 POSITIONS

The foot operated deck lift raises the deck quickly to avoid obstacles or to adjust height. It also has an easy-to-use commercial-style magnetic tapered pin to prevent unwanted rattles.

NEW USB PHONE CHARGING PORT AND SECURE CELL PHONE HOLDER

Stay fully charged while on your IKON. A handy and secure phone holder now comes standard with USB charging capabilities on every Ariens IKON model.

NEW LED FRONT LIGHTS COME STANDARD ON EVERY IKON

Super bright dual forward lights are 600 lumens so you can see and be seen.

(WARNING, DO NOT OPERATE MOWER AT NIGHT)

NEW EASY ACCESS DECK PANEL FOR SIMPLE AND EASY CLEAN OUT

With its all-new flip-up, access panel, cleanup is a breeze on the IKON. Quickly access critical, hard to reach places to dispatch clogs and clumps with ease.

BUILT TO TAKE WHATEVER YOUR YARD DISHES OUT.

Our full-line of IKON zero turns covers a wide range of needs. From the nimble 42 inch to the acre-chewing power of the IKON 60, there's a bright orange IKON perfect for any garage and any yard.

INTRODUCING THE ENVY™ ELITE CUTTING SYSTEM

Envy's 4 1/2 inch-deep 11-gauge fabricated steel deck is designed for optimized airflow for our best cut on a residential machine. Caged anti-scalp wheels protect your lawn from scalping when hitting uneven terrain.

NOW WITH A TALLER AND WIDER SEAT WITH MOLDED ARMRESTS

Ready for the long mow! This seat is 22" tall to provide more back support and is mounted on a taller seat base to make it easier to stand up and sit down. Molded armrests give your arms rest too.

NEW ONE-PIECE, FULLY-WELDED TUBULAR CHASSIS

This all-new chassis displays strength and durability. Its closed tube frame rails and fully welded construction techniques were influenced by our commercial mowers.

ARIENS®

THE IKON. DESIGNED TO BE DIFFERENT.

THE APEX[®]

**BUILT TO TAKE ON
THE ACREAGE.**

Let's be honest, not all lawns are worthy of a machine of this caliber: tons of power that delivers a meticulous cutting performance on a mower with a distinctive design. That's the Ariens APEX. Different models are equipped with a Kawasaki[®] FR V-Twin or a Kohler[®] 7000 Series V-Twin. Either one quickly transforms any grass into a beautifully manicured lawn. And this machine looks as great as it mows with phenomenal graphics and a new premium stitched high back seat. With the APEX, we've bested the level of "best-in-class."

APEX[®]

SERIES

4 YEAR
OR

WARRANTY

THE NEW APEX IS THE PINNACLE OF PERFORMANCE.

Engineered with tons of power and designed for large scale meticulous cutting, the APEX offers two top-notch motor options - Kawasaki[®] FR V-Twin or Kohler[®] 7000 Series V-Twin. But APEX doesn't just handle beautifully; it looks great too! With its phenomenal graphics and unique premium stitched high back seat, APEX surpasses industry expectations.

COMMERCIAL FEATURES

22" rear and 13" front tires provide solid traction. Metal open ended belt covers and a floor pan that lifts to access the top of the deck for cleaning.

MOLDED HANDGRIPS

Ergonomically designed down to the last dimple, these grips will make you the master of your APEX, giving you total control through every turn.

COMFORTABLE HIGH BACK SEAT

A 20" seat built for long mowing days that looks as great as it feels. It comes complete with arm rests for less fatigue.

INTRODUCING THE ENVY[™] ELITE CUTTING SYSTEM

ENVY's a 5 1/2 inch-deep, 10-gauge fabricated steel deck that is designed for optimized airflow for our best cut on a residential machine. Caged anti-scalp wheels protect your lawn from damage from minor bumps and scrapes.

THE ZENITH

**COMMERCIALY-PROVEN
WITH ALL-DAY COMFORT**

It begins with power. Beefy, hard-charging, power that comes from its commercial-grade 23.5hp Kawasaki® FX V-Twin engine. Acre after acre, hour after hour, it easily cuts through the thickest grass in its path. The ZENITH also stands out in the crowd thanks to its design. From its flowing lines to the detail of its graphics, it's as great to look at as it is to drive – which is extremely comfortably thanks to its premium high back seat with contoured stitching. The ZENITH first turns heads, then turns them orange with envy, as it leaves grass perfectly cut.

WELCOME TO PROFESSIONAL PERFORMANCE.

The ZENITH is a cutting machine unlike any other. It starts with power; 23.5hp of commercial-grade Kawasaki® FX V-Twin engine strength that easily handles acre after acre of tough grass. And once you hop in the premium high back driver seat, you'll understand why it stands out from the competition.

COMMERCIAL FEATURES THROUGHOUT

ZENITH's metal belt covers have open ends for easy debris removal, built with rubber discharge chute for flexibility and a Rollover Protection System.

INTRODUCING THE ENVY™ ELITE CUTTING SYSTEM

Envy's 5 1/2 inch-deep 10-gauge fabricated steel deck provides optimal airflow in all mowing conditions for professional cutting performance.

POWER AT YOUR COMMAND

Commercial Kawasaki® FX engine comes with canister filtration for added durability.

TALL AND WIDE SEAT WITH PADDED ARMRESTS

A 20" high-back seat that looks as great as it feels with a pop of color in the contoured seams. Built for long mowing days, it comes complete with arm rests for less fatigue.

DURABLE ONE-PIECE, TUBULAR CHASSIS

Fully-welded steel frame is both validated by our engineers and proven in the field.

THE DIFFERENCE IS CLEAR.

Sweep your driveway clean. The Ariens Power Brush clears leaves, sand, slush, snow, and more, all the way down to the pavement. The 40-degree pivoting brush head pushes it in the direction you want.

ALL-SEASON USE

From clearing the ice, snow and sludge in winter, to dethatching the lawn in spring, the power brush has use in any season.

BRUSH ANGLE

With 40-degree brush head rotation and operator-controlled pivot lock, dirt and debris have no place to hide.

HEIGHT ADJUSTMENT SYSTEM

Easily adjust the brush level to accommodate varying surfaces and minimize brush wear.

CLEAN TO PAVEMENT

The versatility of the power brush allows you to clean clear to the surface in any season and any condition.

COMFORT AND QUALITY BEYOND EXPECTATIONS.

Prepare to be wowed. After all, the Ariens family only puts their name on machines that are made to perform the best, will last long enough to be handed down from generation to generation, and take the pain out of mowing acre after acre after acre. It's more than just a brand. Our family name is your assurance you've purchased something you can rely on and will be part of your family for years to come.

VISIT ARIENS.COM FOR DETAILS

WHEN YOU'RE OBSESSED WITH PERFECTION, EVERYTHING MATTERS.

YOU WOULDN'T BELIEVE WHAT AN ARIENS® MOWER GOES THROUGH TO GET TO YOUR GARAGE.

Your Ariens is built not only to leave a perfectly manicured lawn, but also to be both durable and reliable. They go through rigorous testing, mowing on extremely unfriendly and uneven terrain. They cut through thick, unforgiving grasses, even the heavy wet stuff, for hours at a time. Every model is put through a barrage of grueling tests to ensure they're worthy of the Ariens logo. After all, our name is riding on every one of them, and we don't take that responsibility lightly.

· THE ·
ORANGE
PROMISE

Who said that orange was just a color? Ariens® mowers prove that it's so much more – orange is a symbol of strength, reliability, and resilience. Ariens mowers have been trusted by homeowners for generations and every day they deliver on their promise of durability and performance. Do more of what matters with Ariens.
