# PRO-TURN ZX

**GET MUCH MORE  
THAN YOU PAY FOR.**

Don't let its price-point fool you. The Pro-Turn® ZX still delivers a great Gravelly performance, making it a great value. Its solid construction can handle the toughest commercial jobs and leave a beautifully manicured lawn behind it. This is definitely a "big return on a small investment" situation.

**AN AUTOMOTIVE-STYLE TUBULAR FRAME** It's unique to the mowing industry and increases durability by withstanding force from any direction. This high-strength, premium frame is positioned with a lower center of gravity to improve stability while mowing on hillsides.

**ZT-3200® TRANSAXLES** They're more heavy duty and can handle higher speeds. They're also commercial grade and serviceable for a longer life span.

**NEW X-FACTOR® 3 DECK** Its new thick, 7-gauge steel stands up to the punishment yards and their obstacles dish out. Its sloped front end lifts grass sooner to deliver a better cut and the reinforced spindle mounts protect blade operation. It's also designed to disperse grass better with its large discharge opening.
