ART DELIVERY AND PICK-UP

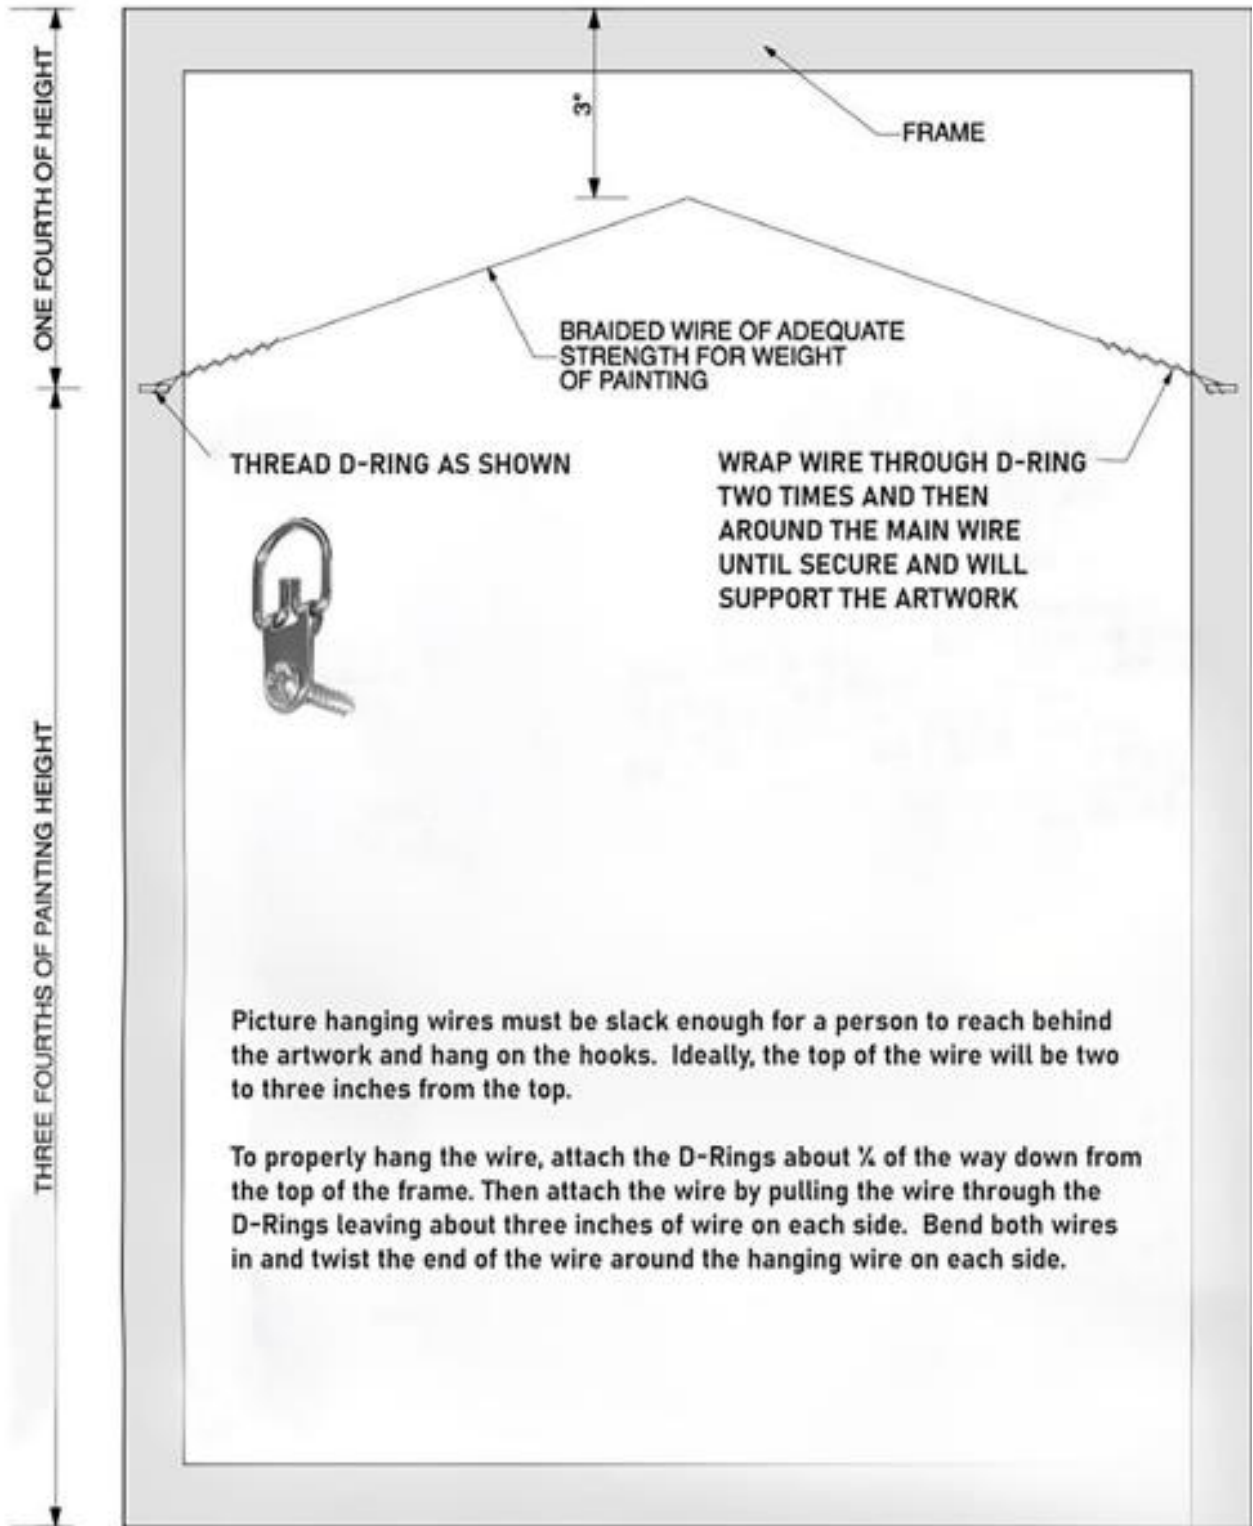

All art must be delivered to Berkshire Hathaway downtown Wilmington office. Address is 19-A Market Street, Wilmington, on Wednesday, January 22, 2025.

All artwork must be picked up from Berkshire Hathaway, on February 25, 2025.

Berkshire Hathaway is a small but busy office and we may need to stagger drop-off and pick-up times to minimize disruption to their business. Exact drop-off and pick-up times will be announced with the acceptance notices. Neither Berkshire Hathaway nor WAOTC has the means to store leftover artwork. If you have a conflict, please make arrangements with another participating artist or with someone else to pick-up your art. Artwork that is not picked up on that date will be subject to a late fee of \$25.00

Wiring Guidelines:

Picture hanging wires must be slack enough for a person to reach behind the artwork and hang on the hooks. Ideally, the top of the wire will be two to three inches from the top.

To properly hang the wire, attach the D-Rings about $\frac{1}{4}$ of the way down from the top of the frame. Then attach the wire by pulling the wire through the D-Rings leaving about three inches of wire on each side. Bend both wires in and twist the end of the wire around the hanging wire on each side.
