This Veterans Day the Taunton Kiwanis Club will honor the brave men and women who have served in our military or, who are still serving, by placing "Flags of Courage" in their name on the Church Green.

Flags will be on display November 4th through the 17th on the Taunton Green to show support for our veterans. Sponsors can place a flag by giving a \$10. Donation in memory of a special veteran or just simply to honor all vets. Names of specific vets who are honored will be displayed at the site and on the Kiwanis web page.

Go to TauntonKiwanis.org and donate online today

Proceeds from the event will help the Taunton Area Vietnam Veterans Association and the Taunton Kiwanis Club scholarship fund & charities

The Taunton Kiwanis Club would like to thank Genting America and the Mashpee Wampanoag Tribal Gaming Authority for their generous support to help us purchase our flags and for SFG Associates to help us place them
